Tenth Annual Compulsive Gambling Awareness Conference was record breaking!

The Tenth Annual Wisconsin Council on Problem Gambling Statewide Conference had a record breaking attendance this year with 160 people attending the two day conference. Our first conference was held in 1999 and there were 77 participants in attendance.

This year's conference was held March 13 & 14 at the KI Convention Center in Green Bay. Many attendees came from different areas of Wisconsin. Some people came from as far away as Minnesota, Illinois, Michigan, Florida, Arizona, Missouri, and Canada to attend the conference.

Speakers included:

Rick Benson (Florida)	Dennis McNeilly (Nebraska)
Arnie Wexler (New Jersey)	David Hodgins (Calgary, Canada)
Jeff Miller (Wisconsin)	James Walsh (Delaware)
Renee Siegel (Arizona)	Dan Smith (Missouri)
LaTrice Hambright (Pennsylvania)	

Topics included:

Preventing Relapse, The Adolescent Developing Brain and Addictions, Understanding Older Adult Gamblers, Assessing Problem Gambling, Self-Care for Counselors, Women in Gambling, Motivational Interviewing, Miracles in Recovery, Families Recovering Together, Cultural Diversity and Gambling Addiction, and Gambling and Domestic Violence. For the first time a pre-conference session "Drumming a Cross Cultural Healing for Gamblers and Other Addicts" was held.

Overall it was a great success and we look forward to the 2009 Conference that will be held March 19th & 20th at the Kalahari in Wisconsin Dells.

We hope to see you there!

Mini-Grant Applications

The WCPG is currently accepting mini-grant applications for community-based public awareness projects for the 2008-2009 grant year. The grants are generally between \$2,000 and \$5,000. To be considered, projects must meet the following qualifications:

- * Be tax-exempt pursuant to the Internal Revenue Code 501 © and have an IRS determination letter.
- * Serve the people of Wisconsin.
- * Operate, choose a governing board, and provide services without discrimination on the basis of race, religion, sex, age, sexual preference or national origin.
- * Applying organizations must maintain neutrality on the issue of legalized gambling.

The mini-grant will serve as an enhancement to the statewide public awareness campaign being provided by the WCPG. These grants are for groups, organizations or agencies that are interested in promoting public awareness for compulsive gambling in their community. Public awareness can be broadly defined, but the proposal needs to be directed to Wisconsin residents and support the WCPG mission of educating the public about problem gambling and the resources available to address these issues.

For an application and more information, contact us at (920)437-8888 or wcpgamble5@new.rr.com.

The mini-grant application deadline is July 31, 2008.
