Our goals are to:

- Promote public education and awareness of pathological and problem gambling disorders.
- Maintain a toll-free statewide Helpline where pathological and problem gamblers and their families can call for immediate and continuing assistance in dealing with the addiction.
- Advocate quality assistance for all individuals affected by gambling problems.
- Identify "high risk" individuals and groups of problem and pathological gamblers and provide prevention activities and information.
- Provide expert training to professional counselors in the treatment of pathological and problem gamblers.
- Compile and maintain a database of statistical information concerning problem and pathological gambling in Wisconsin.
