

# Milwaukee Outreach Speaker

WCPG welcomes Mark Borowski. Mr. Borowski will be serving the Council as an outreach speaker for the greater Milwaukee area giving presentations to middle and high school students as well as senior citizens. This will be a great opportunity for WCPG to promote public education and awareness of problem gambling disorders.

Mr. Borowski has been married for 13 years and has two great kids. He runs his own training and consulting business which provides training and resources to organizations in the areas of leadership development, teamwork and group facilitation. In addition, Mr. Borowski speaks and writes to parents through a variety of media forms to help them build strong, healthy relationships with their children.

Mr. Borowski's goal at WCPG is to help people learn about the gambling addiction through interactive presentations and challenging them with questions. "My family has a long history of battles with alcohol, drugs and gambling, so this work is meaningful to me, which is one of the reasons I applied for the position," Mr. Borowski stated.

Mr. Borowski is available for **free of charge** to speak at schools, churches, service clubs, senior centers or any other event. The message will be tailored to meet the needs of your audience. The focus is on education and awareness.
